Cold & Flu Season is Here...

With cold and flu season quickly approaching, we are working hard to protect our residents from unnecessary illness and ask for your help. Please refrain from visiting the facility if you or any immediate family members present with any signs or symptoms of illness including:

- Fever
- Running Nose
- Cough
- Diarrhea
- Vomiting

Happenings in Activities...

The Activity Department has been busy getting the residents involved in many things. We had all of the regular groups and the active games which the residents love to be involved in.

We took some of our residents on a day shopping trip to Winchester, Va. They had a wonderful time—shopped till they dropped and had lunch at Chick-fa-la in the mall. We also did a small shopping trip to the Doller General Store in town.

The monthly Birthday party was held with refreshments of cookies, chips, & soda. We also did an afternoon of hot biscuits and homemade Apple Butter.

We have a volunteer who has been coming once a month to do a craft activity and has even done a small painting group.

The 100 hall has been enjoying music, playing instruments, singing and laughing. They are also still doing lots of other groups that bring back memories.

We thank all who come in at any time to help make the residents day go better. The residents do enjoy getting mail so if you know someone here they would enjoy receiving a card just thinking of you brings a smile to their faces.

God Bless you
The Activity Department

A Christmas Wish
By: Debra L. Brown

I wish I could go back to the past,
Of Christmases long ago.
I wish I could see my loved ones
Who have passed on long ago.

I'd love to be that child again
Who sat on Santa's knee.
Yes, all these memories that I have
Decorating the tree.

I wish I could wake Christmas morn
To see Daddy baking ham.
And to see my mamma making her yummy
Famous candy yams.

I wish I could go to Grandma's house;
Her cookies were the best.
The pies and cakes that she would bake,
She kept them in a chest.

Her house would smell like ginger,
With a hint of Balsam Pine.
She'd decorate the house with lights,
And it would surely shine.

All these Christmas memories,
It seems like yesteryear.
I'd love to go back to the past.
This is my Christmas prayer.

Merry Christmas from the Social Services office,
Ravenna O. Redman, Director of Social Services
Aimee Minor, Social Worker
Amv Rotruck. Social Services Assistant
