Thanks @you

January's Employee of the Month is Elisabeth Hedrick. Elisabeth is a Food & Nutrition Services' Aide. She has worked here at GRCC since March 2018 while also attending Petersburg High School.

Elisabeth is the youngest of four children, having three brothers. She's an active member in her 4-H chapter and enjoys spending time with her family and friends. In addition to her family, she has several pets including a hamster named Gypsy and five German shepherds; Grace, Honey, Max, Jax, & Harley.

# Happenings in Activities...

December was a month of doing things a bit differently due to being quarantined. We did get to take the residents who wanted to see the lights in the City Park and Welton Park out to do so on the 3rd of December. Upon returning to the facility, they had snacks of cookies and hot chocolate or coffee. They all enjoyed this time as it brought back many memories.

We worked out on the halls doing activities and passed out many gifts from the community and churches. This brightened their days. We also had Denver the Elf come in to pick up the toys that were bought for "Toys for Happiness" by the residents. They donate what they want from their winnings at games they play. Our residents have been doing this for many years. This year they donated \$300.00 in nickels to be spent on the toys.

Danielle Berg, Christina Thorne, and some of the nursing staff baked and passed out cookies for the residents to enjoy, this was an enjoyable time for staff and residents alike.

The residents were able to enjoy Christmas and New Years with their families.

We in the Activity Department wish everyone a joyous New Year and hope that you will think of spending some time with our residents, enriching their lives. You will be a blessing and receive even more of a blessing.

Happy New Year & God Bless,  
Cindy L. Evans ADC

# Nutrition Services' News

The holidays are usually busy times for the Nutrition Service's Department. We served special meals for Christmas Eve, Christmas Day, and New Years Day. We'd like to thank all of the family and friends who joined our residents for these meals. We hope you enjoyed them!

We welcomed four new employees to our department over the last couple of months. Joining our team as Cooks/Bakers are Diana Layton and Chelsea Shirk, and as Aides; Amber Goldizen and Treasure Smith. Welcome aboard ladies!
