Happenings in Activities...

As the quarantine requirements continue to impact GRCC. May was another month that the activity staff had fun providing exciting/interesting entertainment for the residents and staff. May was also the month of National Nursing Home Week. There were many different types of music and a lot of crazy costumes that the activity staff selected in hope that it would bring laughter and enjoyment to the residents and staff. Some of the costume themes were the 50's (Poodle Skirts), YMCA, Cotton Eye Joe, Watermelon Crawl, Beach Boys, Down-On the Farm, Mississippi Squirrel, Macarena Dance and many more. Refreshing snacks were served each day. One of the refreshing snacks that was really enjoyed by the residents and staff was snow cones which was served with their favorite flavor of syrup. It was an exciting activity month at GRCC.
